"I can't thank A1 Driving School enough. Kevin was my instructor and he was simply an amazing tutor. We've been through a lot with COVID, but finally got there in the end. I received my Full Licence today thanks to you guys and I'm very grateful. I would give a 10 star rating if I could. Thank you for all your patience, care and guidance! I would highly recommend A1 Driving School to anybody. Thank you so much!"

"My son got his restricted licence today on his first attempt following a number of lessons with Kevin. Kevin built up my son's confidence and put him at ease behind the wheel and taught him the necessary skills to pass the test and to now drive on his own. Thanks Kevin and also to the other driving instructors (James & Tony) who also provided lessons at various times."
