

## **OLDER TESTIMONIALS FOR RAJEN GOVENDER**

***"Rajen was an amazing driving instructor! He was calm and encouraging throughout all my lessons and incredibly supportive, always providing extra tips and information to help me to understand things better. I feel SO much more confident with my driving ability than I did before I had lessons. I am super excited to go for my restricted test and very grateful to Rajen for teaching me all the driving skills I need to be successful. I would definitely recommend A1 Driving School. Thankyou Rajen!"***
