"Thanks to AI I was able to book a weeks worth of lessons at short notice leading up to my test.

Harold was kind of enough to organise for me to hire my instructors car for the test as well which was so helpful as I did not have a car and was comfortable in my instructors.

James Fungavai'n was my instructor and I couldn't have done it without him. James actually made me enjoy driving again. So positive, happy, supportive - 5* instructor with a 5* personality!"
