"Throughout the nine lessons I took underway, I felt completely supported by my instructor Ned and not once did I feel judged or pressured. Instead I felt like he was there to genuinely teach me and had my best interests in mind the whole time. Very respectful and a pleasure to drive around with him. Wouldn't change a thing and would recommend to anyone who wants a reliable and respectful driver instructor."

"Ned was very personable and helpful. Over the space of four lessons I went from having no idea how to drive manual to being confident with hill starts, main road driving and clutch control. I would recommend anybody at any level to book with Ned. Thanks."
