"Rick Sheriff was a superb driving teacher! Always making sure to point out the little mistakes I was making that could fail me on my restricted test, but always making sure to give me praise for what I did well too! I really appreciated the thoroughness of my lessons with Rick, and especially toward the date of my restricted test. Spending time going around the test routes in New Lynn, on streets both large and small, meant that when test day came there were some more gnarly streets that I was prepared for. It's sad that I can't have my regular yarns with Rick at our lessons but that just goes to show how good of a teacher he is - I passed my restricted test first try! Thanks Rick!- Alex"

"My daughter had Rick Sheriff and Kevin King as her instructors. They were both incredible! Jenna felt relaxed immediately. They were so patient and knowledgeable. Jenna passed her restricted licence on the first attempt, whereby the testing officer said

she was a fantastic driver and asked if she'd had lessons as felt it was clearly evident! I recommend A1 driving to anyone looking for fabulous instructors to teach their loved ones to drive!!!!"
