"I had my lessons with Jai and he went above and beyond to make sure I was ready for my restricted test. He was very sweet and explained everything to me. He met me close to my house and practiced with me on routes which would be used in my test. He made sure he covered everything I had put into notes while also teaching me things I needed improvement on. He also made time to book in lessons with me when he was fully booked. If you are in West Auckland and looking for lessons I'd 100% recommend Jai."
