"Did a few sessions with Jeet to prepare for the Full Test, and the feedback was valuable on what I needed to improve on. Passed my full on the first go. Definitely recommend the team here at A1. All the best, future drivers!"

"Jeet has been an amazing instructor. He made sure that you would develop good habits when driving and explained in details for mistakes that you made. Other instructors may overly take control of the driving wheel, but Jeet would trust and let you drive on your own and would only intervene if you were about to make some critical errors. Highly recommended to take Jeet's class!"
